Industrial Promotion Policy, 2014

1. Madhya Pradesh as a favoured industrial destination

Madhya Pradesh (MP) is amongst the leading states in India both in terms of area and population. The state has gained a significant position in the country based on investment and economic growth. Over the years, the state has developed a robust infrastructure, favourable policy environment & industrial growth centres, which has expedited the growth of industrialization. As a result, Madhya Pradesh's state domestic product grew at a CAGR of 10.3% during 2007-08 to 2012-13 where as India's GDP grew at a CAGR of 7.15% during the same period.

The state has been at forefront in promoting industrial growth by offering gamut of incentives to promote rapid industrialization, and is able to harness its strengths to expand its economy with the support of conducive policies. State has identified thrust sectors including Auto and auto components, Textiles, Tourism, IT/ITEs, Healthcare, Skill development, Pharmaceutical, Renewable energy, Biotechnology and Logistic & warehousing which provide the required impetus to the economic growth.

MP is centrally located and has excellent connectivity across major cities of the country. It has a total road network of 58,423kms with 20 national highways passing through the state. The state is well connected with rail services to all major cities and also to international export markets via Jawaharlal Nehru Port in Mumbai and Mundra Port in Gujarat. The Delhi Mumbai Industrial Corridor (DMIC) passes through 10 districts of the state, which enhances high-speed access to ports and Northern & Western markets of India.

MP provides a peaceful labour force and stable industrial environment. The state has large number of engineering colleges (224), polytechnics (114), ITIs (415), and other vocational training institutes to ensure availability of skilled manpower across various sectors in different regions of the state.

The state has developed a strong pipeline of investments during the last five years and would continue to attract more investors by developing an enabling industrial eco system which would lead to sustainable industrialization and ensure economic prosperity of the state

2. Vision

To achieve inclusive growth and bring economic prosperity to the people of Madhya Pradesh through sustainable industrialization, employment generation and skill set enhancement.

2.1 Objectives of Industrial Promotion Policy

The key objectives of the Industrial Promotion Policy 2014 are:

- i. Rationalization and simplification of procedures to ensure effective implementation of policy
- ii. To improve investor facilitation and enhance ease of doing business
- iii. To create an enabling environment for robust industrial growth
- iv. To achieve higher and sustainable economic growth by accelerating the growth of manufacturing and service sectors through private sector participation
- v. To create an able and supportive regulatory and policy environment to facilitate private sector participation
- vi. To achieve inclusive industrial infrastructure development in the state
- vii. To promote environmentally sustainable industrial growth and balanced regional development
- viii. To enhance employment opportunities in all sectors
- ix. To encourage growth in Madhya Pradesh's thrust sectors (Agribusiness and Food processing, Textiles, Automotive and Auto components, Tourism, Pharmaceuticals, Bio-technology, IT/ITeS, Healthcare and Logistic & Warehousing)
- x. To encourage environment friendly practices in enterprise development
- xi. To provide a welcoming and facilitative atmosphere to entrepreneurs, industrialists and investors.

2.2 Strategy for promotion of Industries

The state has prepared a strategic roadmap to achieve the policy objectives through a combination of both fiscal and non-fiscal interventions. These policy interventions shall enhance the industrial competitiveness resulting in substantial increase of private sector investment in the state.

The key measures are aimed at:

- i. Creating level playing environment for all investors by enhancing the facilitation mechanism enabling them to conduct their business with ease;
- ii. Strengthening of the Single Window System to make it more effective under the provisions of the Madhya Pradesh Investment Facilitation Act 2008;
- iii. Providing competitive fiscal incentives and exemptions to attract investment;
- iv. Providing support to the investors in making government and private land available for industrial projects across different scales of investments;
- v. Upgrading of industrial infrastructure in existing industrial growth centres;
- vi. Promoting ancillarization to strengthen local vendors
- vii. Enhancing the employability of youth by focused skill development efforts;
- viii. Strengthening the MSME sector through an attractive package of incentives & concessions;
- ix. Ensuring harmony between private sector investors and local citizens through an enhanced dispute settlement mechanism;
- x. Promoting thrust sectors through sector specific promotion policies;
- xi. Establishing a 'Land Bank' bearing in mind future requirements of land for industries;
- xii. Developing world-class infrastructural facilities for industries with active participation of the private sector;
- xiii. Providing appropriate provisions for the protection of the environment and encouraging water conservation measures in industry through go-green strategies.
- xiv. Promoting industrial parks for clusters development of similar micro and small scale industries in regions of the State which are rich in raw material being used in that particular industry.

5. Inclusive growth

The state government intends to focus on MSMEs for achieving a holistic industrial growth. The following steps have been undertaken by the state government:

- Incentivizing MSME to enhance their competitiveness for achieving higher growth
- Targeted skill development programs to address manpower requirements of MSMEs
- Development of new industrial clusters with adequate infrastructural facilities to meet futuristic demands of the cluster
- Uplifting infrastructure facilities of existing industrial clusters to fulfil growing needs of ancillary units
- Encourage ancillary units by promoting establishment of new vendor units in close vicinity of mother units

5.1 Cluster based approach

5.1.1 Cluster based approach is increasingly being recognized as sustainable, cost-effective and an inclusive strategy to ensure competitiveness and improvement of Micro, Small and Medium Enterprises (MSMEs). Considering the importance, state government has laid special emphasis on cluster development approach.

5.1.2 New industrial clusters with plug and play facilities shall be developed.

5.1.3 Infrastructural facilities in existing industrial clusters shall be upgraded so as to meet the growing needs of industrial units in the cluster.

5.2 Ineligible industries

5.2.1 In order to promote the growth of MSMEs, the state government has reviewed the list of ineligible industries and reduced the number of industries in the non-eligible list from 52 to 19.

5.2.2 All the industries other than those listed in ineligible list are eligible and entitled for incentives provisioned under this policy.

5.3 Marketing assistance

With a view to create more business opportunities for micro and small enterprises, state has taken various interventions to facilitate linkages between

vendor and anchor units. State government intends to increase the growth of local vendors by taking following measures:

- 5.3.1 Directorate of Industries and the Department's Corporations shall carry out a coordinated campaign within and outside the state to attract industrialists/entrepreneurs for investment in the State.
- 5.3.2 Industrial trade fairs shall be organized and State's participation would be promoted on a regular basis at national and international level through Madhya Pradesh Trade Fair Authority.
- 5.3.3 State would organize marketing events for MSMEs like Buyer-Seller Meets, trade fairs, reverse buyer seller meets. All the MSMEs and mother units shall be encouraged to participate in such marketing events.
- 5.3.4 Madhya Pradesh LaghuUdyog Nigam (MPLUN) shall organize workshops between the anchor and vendor units.

6. Industrial infrastructure – The Growth Engine

6.1 Land concessions

Availability of land is a primary requisite for sustainable industrial development. The State Government has substantial availability of both government and private land parcels for industrial development. In order to further enhance the rate of industrialization, the State Government shall consider following measures pertaining to land availability:

- 6.1.1 Developed industrial land shall be made available at a competitive price to the investors.
- 6.1.2 CCIP may consider concession on the prescribed premium rate, if the investor intends to set up a project on raw (undeveloped) government land.
- 6.1.3 50% assistance subject to a maximum of INR 1 crore each shall be provided to medium, large and mega scale industrial units for developing power, water & road infrastructure, if the investor acquires private land or gets undeveloped government land for setting up of project.

- 6.2.1 Early bird projects identified under DMIC nodes, namely, Knowledge City Ujjain, Multi-modal Logistic Hub, Indore-Pithampur Economic Corridor and Power Equipment Manufacturing Hub, Rajgarh etc. shall be implemented.
- 6.2.2 The state has strategically created investment corridors such as Bhopal-Bina, Bhopal-Indore, Jabalpur-Katni-Singrauli & Gwalior-Shivpuri-Guna along the state and national highways to fasten the economic growth and create more employment opportunities.
- 6.2.3 Various projects such as Air cargo terminal, Integrated Agro/Food processing zone, integrated logistic hub, integrated townships, Gas based industrial park, Rural Park, Engineering Technology Park, Knowledge cities, etc. shall be developed to enhance infrastructure in the state.

6.3 Encouraging private partnership for Infrastructure Development

- 6.3.1 An enabling policy and institutional mechanism shall be developed to attract private investment and leverage its efficiency to provide quality infrastructure and services.
- 6.3.2 Initiatives of the investors in developing private industrial areas/ estates either in PPP mode/individual entrepreneurs/ Companies/Co-operatives shall be encouraged with a supportive package.
- 6.3.3 *To encourage the private sector in the development of infrastructure, special assistance will be provided to the projects relating to establishing industrial parks, food parks, high-tech parks or any other parks relating to manufacturing industries in the state. An assistance of 15% of the expenditure on establishment/ development of industrial park subject to a maximum limit of INR. 5 crores will be provided to promote subject to the condition that such developed industrial park should have a minimum area of 10 acres, and minimum of 5 industrial units. The agency/investor developing such industrial park would be reimbursed the assistance within 1 year from the substantial completion of the project on fulfilling the required conditions indicated at the time of sanction.

6.4 Plan and augment Industrial Infrastructure

- 6.4.1 The planning of infrastructure in existing and new areas shall be done in line with industry requirements.
- 6.4.2 Existing industrial areas shall be expanded as needed and new industrial areas shall be developed with necessary industrial infrastructure.
- 6.4.3 The industrial infrastructure shall be developed at all regions for balanced and equitable growth.
- 6.4.4 The industrial infrastructure shall be developed based on the geographical strength and after assessing the demand of the sector.
- 6.4.5 Land in industrial areas/growth centres will be allotted after developing necessary infrastructure in industrial areas.
- 6.4.6 Areas having good potential for development of industrial and commercial infrastructure shall be identified. In these areas,

*Partially amended as per the GoMP order no. F16-06/2017/A-Eleven dated 12/06/2017

infrastructure shall be developed with private sector participation/Industrial Development Corporations.

- 6.4.7 New/expanded industrial areas, where 100 acres or more area is to be developed, a maximum 20 percent of the total land will be reserved for housing/commercial activities.
- 6.4.8 Necessary social infrastructure facilities like hospital/ dispensary, school, training centre, creche, housing, shopping centre, fitness centre, recreation centres, rest houses, labour welfare centre, hotel and warehouses, etc. will be established in industrial areas either through department's corporations or private sector participation.
- 6.4.9 Establishment of Truck terminals in all the major industrial parks will be promoted. In the case of Private Industrial Parks, the Developer shall be mandated to provide adequate Truck Parking Bays.
- 6.4.10 Measures shall be taken to earmark at least 20% of the land for MSME sector in new non-PPP industrial areas for necessary vendor development support to the large projects.
- 6.4.11 Multi storied industrial complexes for micro and small scale enterprises shall be constructed in order to ensure optimum productive use of land either through Department's Corporations or private sector participation at potential industrial areas.
- 6.4.12 Industrial areas having more than 500 acres shall be allotted 10% of total area for development of warehousing facilities.
- 6.4.13 Rules relating to allotment and management of land will be rationalized and made investor friendly.
- 6.4.14 Any changes to be made in the land use in the notified industrial areas shall be approved as per Town & Country Planning Act

7. Skill development

Government of MP realizes that one of major impetus towards achieving sustainable industrial growth is ensuring availability of skilled manpower. Hence, state has taken up skill development as its key focus area and established a nodal agency Madhya Pradesh Council for Vocational Education & Training (MPCVET). The state government has undertaken following steps to ensure expansion of training infrastructure of the state :-

- Establishment of government ITIs and polytechnic colleges
- Establishment of Mega ITI in major industrial hubs
- Formulation of skill development policy detailing industry friendly incentive to promote private sector participation in realm of skill development resulting in increase in number of private ITIs and polytechnic
- In order to harness the social capital in rural areas, block level training centres have been established
- Establishment of Rural Self Employment training Institutes (RSETIs) in all the districts in collaboration with district lead bank
- Targeted skill development programs towards meeting the industry needs

8. Green Industrialization

- 8.1 Small, Medium, Large & Mega industries shall be provided a capital subsidy of 50% upto a maximum of INR. 25 lakh for investment in setting up of waste management systems (such as ETP, STP etc.), pollution control devices, health and safety standards, water conservation/harvesting etc.
- 8.2 Government of Madhya Pradesh (GoMP) is also focusing on promotion of environment friendly development through green and clean technologies, conservation of natural resources, waste minimization and recycling etc.
- 8.3 GoMP shall facilitate the polluting industries which are located inside city limit/ municipal limit / metropolitan areas to relocate to the designated industrial areas.
- 8.4 GoMP would encourage water harvesting and recycling in all its existing and new industrial areas.
- 8.5 Facilitate setting up of effluent treatment plants and hazardous waste treatment plants in various industrial estates and cluster with private sector participation.

9. Promotion of Ancillaries to develop local vendors

- 9.1 The state government with a view to strengthening the supply side of industrial ecosystem is promoting establishment of ancillary units near mother units.
- 9.2 New vendor units established in premises or within a radius of 50 km from mega scale industrial unit in Electric & Electronic hardware, Chemical, Petrochemical & Fertilizer, Pharmaceutical, Engineering, Leather & Leather goods, Textile & Automobile sectors, with a minimum sale of 75% of their product to the mother unit, shall be eligible for the same package of incentives as given to the mother unit. The mother unit shall be permitted to 'sub-lease' the land to the vendor unit. The mother unit shall ensure that the vendor unit shall be eligible for 'sub-lease' only if it (vendor unit) satisfies the above criteria.

10. Fiscal assistance

- 10.1* Fiscal assistance under this policy deals with incentives/concessions available only to manufacturing & tourism sector. Tourism projects with an investment of over INR 50 crore (excluding value of land) for setting up outside the Municipal Corporation's limit shall be given option to avail incentives provided in Industrial Promotion Policy 2014. It is clarified that tourism projects shall be eligible to avail benefits under only one investment policy of the state government i.e. tourism projects who desire to avail benefits under IPP will not be eligible to avail incentives under tourism or any other policy of the state government. Above assistance will be provided by the tourism department to units and to this extent the provision shall be part of the tourism policy.
 - 10.1.1 It may be noted that if there are two policies which provide similar incentives/concessions, then the investor is eligible for claiming the incentives/concessions from only one policy.
 - 10.1.2 Any MSME which has availed the incentives under the "Mukhyamantri Swarojgar Yojana" or "Mukhyamantri Yuva Udyami Yojana" shall not be eligible to avail the similar incentives under the industrial promotion policy. The remaining incentives can be availed from the industrial promotion policy as per the eligibility.
 - 10.1.3 However, if a manufacturing unit wishes to avail financial assistance from Govt. of India over and above its eligibility under this Policy, it may do so subject to the condition that it may not be subsidized to more than what it has invested.
 - 10.1.4** In any case, the gross investment assistance given to the unit will not exceed the capital investment made in the unit i.e. total assistance being provided to the unit including incentives provided by other departments should not exceed the total amount of investment made by the unit in fixed capital investment.
 - 10.1.5*** To avail benefits under Industrial Promotion Policy- 2014 (As amended 2018), it shall be mandatory for industrial units to provide 70% of the total employment to bonafide residents of Madhya Pradesh. This provision shall be applicable to such industrial units who commence commercial production after the date of issue of order in this reference.

16.* Investment Promotion Assistance for Large Scale Industry

GST (Goods and Services Tax) implemented from 1st July, 2017, is an important step in the field of indirect tax reform in India. Due to the implementation of GST, erstwhile VAT / CST reimbursement related incentives and entry tax exemptions to the industries under the current industrial policy shall become inapplicable. As a result large scale industries commencing their commercial production from April 01, 2018 to March 31, 2022 will be eligible for Investment Promotion Assistance in lieu of above incentives.

16.1 Investment Promotion Assistance for Large Scale Industrial Projects (projects with investments in Plant & Machinery more than INR 10 crores) will be determined in a four-stage process as mentioned below-

Annual Investment Promotion Assistance = Yearly Basic Investment Promotion Assistance (YBIPA) X Yearly Production Multiple (GSM) X Export Multiple (EM) X Employment Multiple (EYM)

(16.1.1) Basic Investment Promotion Assistance (BIPA) :-

- Basic Investment Promotion Assistance (BIPA) for other than food processing industry =
$$\text{IF}(P\&M > 1500, 150, \text{MIN}(\text{IF}(P\&M < 11, 0.4 * P\&M, \text{MIN}(4 + 0.098 * (P\&M - 10) + P\&M / (10.88) * \text{MAX}(1 - P\&M / 1490, 0) + 7.2 * (1 - P\&M / 1500), 0.4 * P\&M)), 150))$$
- Basic Investment Promotion Assistance (BIPA) for food processing industry = $1.5 * (\text{Basic Investment Promotion Assistance for other than food processing industry})$
- Basic Investment Promotion Assistance for an investment in Plant & Machinery more than 10 crores shall vary between 40% to 10% based on above formula.
- It is clarified here that Basic Investment promotion assistance shall be limited to maximum INR 150 crores in any condition (i.e. both for food processing and industry other than food processing the Basic Investment Promotion Assistance shall be limited to INR 150 crs.)

Yearly Basic Investment Promotion Assistance (YBIPA) = Basic Investment Promotion Assistance / 7

If the commercial production commences before 30th September of relevant year, it shall be considered as the base/first year for commercial operation date. However, if the commercial production commences after 30th September of relevant year unit shall be provided an option to choose current year or next year as their base/first year for commercial operation date.

(16.1.2) Gross Supply Value Multiple :-

- Gross Supply Value Multiple shall be considered as 1 for first year provided the capacity utilization for the unit is 40% of the installed capacity. For the subsequent years gross supply value multiple shall be considered as 1 provided the gross supply value of that year is 75% or more viz-a-viz maximum of previous years' gross supply value. In case the gross supply value is less than 75% the Investment Promotion Assistance shall be proportionately reduced as per the given formula.

Gross Supply Value Multiple (GSM) = MIN (75%, AGS/PPYS)/75%

Peak Previous Year Gross Supply -PPYS

Actual Gross Supply in the Reviewed Year- AGS

1. Maximum GSM value shall be '1'.
2. GSM for first year should be '1' provided utilization of installed capacity is at least 40%
3. To have a gross supply value multiple of 1, minimum GSP should be 75% of peak previous year annual Gross Supply (PPYS); this implies if the AGS is lesser than 75% of PPYS, there will be a proportionate decrease in GSM.

(16.1.3) Export Multiple(EM) :-

Export units on export of atleast 25% to 75% of their production shall be eligible for Investment Promotion Assistance in the range of 1.0 to 1.2 over and above Basic Investment promotion assistance.

Export Multiple (EM) = IF [Export Value/Production Value < 25%, 1, IF {Export Value/Production Value < 75%, 1 + 0.2*(Export Value/Production Value - 25%)/50%, 1.2}]

Export Value – Value of exports in INR Crs

Production Value – Value of total production in INR Crs

- ♦ If export value is less than 25% of production value, Export Multiple (EM) will be 1.
- ♦ For export value of 25% to 75% of production value, Export Multiple (EM) will range from 1.0 to 1.2.
- ♦ For export value of more than 75% of production value, Export Multiple (EM) will be 1.2.

(16.1.4) Employment Multiple (EYM) :-

- The employment multiple shall vary from 1.0 to 1.5 , based on the employment generation by a unit in the range of 100 employees to 2500 employees.

Employment Multiple (EYM) = MAX[1,MIN{1.5,(1+(AE-100)*((1.5-1)/(2500-100))}]

Average Employees in the Reviewed Year (AE) – Average employee count of the company in the reviewed year;

AE will be derived as = $\Sigma(\text{Employee count at the month end for each month of the financial year}) / 12$

1. Till 100 employees (AE), EYM will be 1
2. From 100 to 2,500 employees (AE), the EYM will increase from 1 to 1.5, proportionately
3. For 2,500 and above employees (AE), EYM is capped at 1.5

~~(16.1.5)* Geographical Multiple :~~

~~3/4~~ Manufacturing units setting up in priority blocks will be eligible for an additional Investment Promotion Assistance of '1.2' times over the Basic Investment Promotion Assistance (BIPA). However this Geographical Multiple will be '1' for cement units and the Export Multiple for cement units will also be considered as '1'.

~~3/4~~ Basic Investment Promotion Assistance (BIPA) for setting up unit in priority blocks = 1.2* (Basic Investment Promotion Assistance for units in non priority blocks)

16.2 Applicability of Investment Promotion Assistance :-

16.2.1 Investment Promotion Assistance shall be effective for units starting commercial production from 01 April 2018 to 31 March, 2022. The units which shall invest upto 75% of their proposed investment till the last date (31 March, 2022), shall be provided additional time of 1 year to commence commercial production and avail the benefit of the proposed assistance.

16.2.2 The option to avail the benefit of investment promotion assistance shall be available to investment projects as defined below: -

- (A) Units who have submitted Intention to Invest on the website of M.P. Industrial Development Corporation under the Industrial Promotion Policy 2014;

OR

Investment proposals for whom any customized package has been approved by Cabinet Committee on Investment Promotion

OR

Those projects who have been issued in-principle sanction letter to avail incentives provided under Industrial Promotion Policy 2014

AND

(B) Commercial production date is after 1st April 2018 and before 31st March 2022

- 16.3 The investment made by the unit in plant and machinery, upto one year after the date of commencement of commercial production shall be considered for calculation of investment promotion assistance.
- 16.4 Investment Promotion Assistance would be disbursed quarterly or annually as per the discretion of M.P. Industrial Development Corporation.
- 16.5* Investments made by the unit in the plant and machinery, and excluding investment made in the land and building will be considered for determining eligibility of Assistance.
- 16.6 Units established in the Special Economic Zones shall not be eligible for investment Promotion Assistance.
- 16.7 The Department of Industrial Policy and Investment Promotion shall be empowered and authorized to amend, relax and to remove any discrepancy and define interpretations of provisions of "Madhya Pradesh Investment Promotion Scheme 2014" in relation to "Large Scale Industrial Investment Projects" to implement this clause of policy.

*wef 5th October 2018, Investment made in plant and machinery shall include the investment made by the unit in plant, machinery, buildings & sheds excluding land and dwelling units. This order shall be applicable to those units who have commenced commercial production after the issuance of the order.

परिधान क्षेत्र (Garmenting Sector) अन्तर्गत वृहद श्रेणी की निर्माण इकाईयों को विशिष्ट वित्तीय सहायता का स्वरूप एवं निर्धारित नियम / प्रक्रिया

1. परिभाषा:-

1.1 **रेडिमेड गारमेंट एवं मेडअप्स से अभिप्रेत है:-** पहनने योग्य या गैर पहनने योग्य सिले कपड़े जिनमें से कपड़ों के कम से कम दो सिरों की सिलाई मशीनरी का उपयोग कर की गयी है तथा एमपी ट्रायफेक की वेबसाईट में निवेश आशय प्रस्ताव दर्ज किया गया हो तथा उद्योग संवर्धन नीति, 2014 के अनुक्रम में इस विशेष वित्तीय सहायता हेतु जारी अधिसूचना दिनांक को या उसके पश्चात वाणिज्यिक उत्पादन प्रारंभ किया हो।

1.2 **प्लांट एवं मशीनरी में पूंजी निवेश:-** राज्य शासन के आदेश क्रमांक एफ 16-18/2013/बी-ग्यारह दिनांक 13/10/2017 के अनुसार मध्यप्रदेश उद्योग संवर्धन नीति, 2014 (यथा संशोधित 2017) अंतर्गत द्वारा जारी मध्यप्रदेश निवेश प्रोत्साहन योजना 2014 (यथा संशोधित जनवरी 2018) के बिन्दु क्रमांक 4.1 में वर्णित परिभाषा के अनुरूप।

1.3 **वृहद श्रेणी की इकाई:-** वृहद श्रेणी की इकाई से अभिप्रेत ऐसी इकाई से है जिसमें प्लांट एवं मशीनरी में रु 10 करोड से अधिक का पूंजी निवेश किया गया हो।

2. विशिष्ट वित्तीय सहायता/रियायत अंतर्गत उपलब्ध सुविधाओं का विवरण:-

परिधान निर्माण इकाईयों को विशेष वित्तीय सहायता अंतर्गत ब्याज अनुदान, निवेश प्रोत्साहन सहायता, प्रशिक्षण व्यय/रोजगार सृजन पर सहायता, स्टाम्प शुल्क एवं पंजीयन शुल्क की प्रतिपूर्ति सहायता, विद्युत शुल्क से छूट एवं विद्युत टेरिफ में रियायत इत्यादि समस्त सहायता मदों को सम्मिलित कर अधिकतम सीमा/परिमाण इकाई द्वारा किये गये प्लांट एवं मशीनरी में निवेश की राशि के 200% तक होगी। इकाई में वाणिज्यिक उत्पादन दिनांक से 3 वर्ष पूर्व एवं 3 वर्ष पश्चात् तक किए गए स्थायी पूंजी को सुविधाओं के परिपेक्ष्य में गणना हेतु मान्य किया जावेगा।

2.1 **ब्याज अनुदान:-** भारत सरकार, वस्त्र मंत्रालय की संशोधित टेक्नोलॉजी अपग्रेडेशन फण्ड स्कीम (ATUFs) अंतर्गत मान्य मशीनरी पर वित्तीय संस्थाओं/बैंकों से लिये गये टर्म लोन पर 5 प्रतिशत की दर से 7 वर्षों के लिये।

2.2 **निवेश प्रोत्साहन सहायता -** राज्य शासन के आदेश क्र. एफ 16-18/2013/बी-ग्यारह दिनांक 13-10-2017 के अनुसार गारमेंट विनिर्माण क्षेत्र की वृहद औद्योगिक परियोजनाओं को निवेश प्रोत्साहन सहायता का लाभ प्रदान किया जावेगा।

2.3 **प्रशिक्षण व्यय/रोजगार सृजन पर सहायता:-**

अ. **प्रशिक्षण व्यय प्रतिपूर्ति-** टेक्सटाईल परियोजनाओं को तकनीकी एवं कुशल कर्मचारियों की आवश्यकता के दृष्टिगत कौशल विकास एवं प्रशिक्षण हेतु व्यय प्रतिपूर्ति की सहायता प्रति नवीन कर्मचारी रु. 13000 पांच वर्षों के लिये दी जावेगी। यह सहायता केवल मध्यप्रदेश के मूल निवासी कर्मचारियों को प्राप्त होगी।

ब. **रोजगार सृजन अनुदान-** नियोक्ता द्वारा इकाई में वाणिज्यिक उत्पादन प्रारंभ होने के दिनांक से प्रथम आठ वर्ष की समयावधि में नियुक्त किये गये समस्त नवीन कर्मचारियों को रु. 5000 प्रति कर्मचारी प्रति माह सहायता का लाभ प्राप्त करने की पात्रता होगी। सहायता अवधि अधिकतम 5 वर्ष होगी। यह सहायता इकाई में वाणिज्यिक
