AEPC Participating CPM Moscow, Russia from 29th August to 1st September, 2023

Dear Member,

The Council's would like to give an opportunity to its members to explore Russian market which is most important market for garments within CIS Countries. Imports of RMG into Russia have been increasing for the past five years. The exit of European and US apparel brands post the Ukrainian War has given a huge opportunity for Indian RMG exporters to fill this space.

Indian textile industry can expect a boost to apparel and textile exports to Russia and other countries in the region as International North-South Transport Corridor (INSTC) will connect Moscow to Mumbai through multi-mode transportation facilities. The corridor is expected to decrease the time taken for goods from India to reach Russia and other countries.
