Sub: Invitation to visit Garment Technology Expo (GTE) 2025 & Lace & Trims Show, to be held from 7 – 9 November 2025 at Helipad Exhibition Centre, Gandhinagar.

Dear Members,

We are pleased to inform you that the 38th Edition of Garment Technology Expo (GTE) 2025 and the Lace & Trims Show 2025 are scheduled to be held from 7 – 9 November 2025 at Helipad Exhibition Centre, Gandhinagar, Gujarat.

Co-located with GTE, the Lace & Trims Show is a specialized platform showcasing a wide range of embellishments, accessories, and trims, providing sourcing solutions to apparel and fashion manufacturers seeking to produce quality, value-added products. The shows will cover all segments of the apparel manufacturing value chain — from the latest machinery and technology, spares and consumables, and infrastructure solutions to raw materials, trimmings, logistics, and trade support services. Together, they create a complete ecosystem for apparel manufacturing excellence.

With over 225 exhibitors and brands on display and 15,000+ expected visitors over three days, the expo aims to serve as a dynamic platform for manufacturers, distributors, designers, innovators, and industry stakeholders to connect, collaborate, and explore emerging opportunities in India's apparel sector. The event is being jointly organised by Garment Technology International and India Exposition Mart Limited.
