October 31<sup>st</sup>, 2025

**Sub: Re-opening of the applications under the Production Linked Incentive Scheme (PLI) until 31<sup>st</sup> December, 2025 with new amendments.**

Dear Member Exporters,

The Ministry of Textiles has decided to receive applications from the industry under the Production Linked Incentive Scheme (PLI) until 31<sup>st</sup> December, 2025.

Additionally, in order to encourage wider participation and to better address the evolving needs of the industry, following key amendments have recently been introduced under the Scheme by the Ministry of Textiles:

- The expansion of eligible products through the addition of 8 new HSN codes for MMF Apparel and 9 new HSN codes for MMF Fabrics.
- Applicants are now permitted to establish project units within existing companies, removing the earlier requirement to set up new entities.
- The minimum threshold of investment has also been reduced, effective from 01.08.2025, with new applicants required to invest only Rs.150 crore under Part-1 and Rs.50 crore under Part-2 of the Scheme, down from the earlier Rs.300 crore and Rs.100 crore respectively.
- Starting from FY 2025-26, the incremental turnover requirement for eligibility of incentives (from Year 2 onwards) has been relaxed from 25% to 10% over the previous financial year.

Members are advised to take full benefit of this opportunity by applying on the PLI portal for availing the benefit of the Scheme.
